Excused

Mayor Tim Heyder

Mayor Pro Tem Keith Thompson called the meeting to order at 7:00 p.m. He welcomed the council and all others present. Jennifer led us in the pledge of allegiance and Mike Morgan offered the opening prayer.

Next month's volunteer assignments: Randy Branch, Prayer Stacey Hill, Pledge

Mayor Keith Thompson called for a motion to accept the agenda.

Randy Branch made a motion to accept the agenda as it is written. Jennifer Webb 2nd. All council members present voted yes.

The minutes were approved from last town council meeting.

CDBG Grant-Eric & Tammie

Eric asked when we wanted to get the entrance to Snowville out for bids. The council agreed to get it out for bids ASAP. Monday at 10:00 am to do a walk through of the fire station for anyone who wants to come.

Eric and Tammie have been working with Amy Ivie on a Search Grant for the secondary well. This grant is up to \$30000.00. There is a very extensive grant application that needs to be completed for this particular grant. There is also a grant for \$40,000.00 that is a little simpler that doesn't have as many strings attached that Eric recommended we go for. This grant will be to help with a feasibility study to treat the existing well.

Resolution for HB 362

Tammie explained that the ULCT encouraged cities and towns to pass this resolution to get the information about raising the taxes on fuel on the ballot. Tammie explained how the tax would be divided and how we as a town would benefit. There is a copy of the resolution attached to the end of the minutes.

Jennifer Webb made a motion to accept the resolution for HB 362. Marv Fikstad 2nd. All council members present voted yes.

Resolution 2015-07-02

This is an anti-displacement act. This is put into place to protect the residents of Snowville Town in case this would ever happen in Snowville.

Randy Branch made a motion to accept Resolution 2015-07-02. Jennifer Webb 2nd. All council members present voted yes.

Planning & Zoning

Jennifer Webb mentioned that when she was in the Fast Stop they indicated that they needed a letter from the Town to proceed with their remodeling. Randy will go over to the Fast Stop and make sure that everything is good and there are no red flags with the planning and zoning. Randy Branch said that he will go and pick up the ordinances from Brian Carver whether they are complete or not. If they are not complete we can have our lawyer go through them.

Water

The water dept is going good. The pump is running good now. We can go back to regular watering. Alan mentioned there are 8 trailers at Mike Fortunes Trailer park. The council agreed we need to start billing them for the connections even if they are not rented.

Keith indicated that the people in the trailer park have been leaving their garbage cans in the street and there is garbage all over and they have all kinds of blankets and sheets hanging over their fence over the 4th of July weekend and it looked like a mess. Jennifer interjected

indicating that we can't just point out one individual when there are several that have messes. Keith stated that he is the only one doing it and Jennifer stated that he is not the only one doing it. Keith asked to restate what he said. He said Mike is only responsible for his trailer park and not everyone else's mess. Jennifer said she realized this but that if we approach him we have to approach every single person that is doing this stuff and not just pick on one. After some discussion, Jennifer concluded with we have to address all or none. We can't just pick out one person.

Alan stated that he would like a notice to go out in the bills stating to keep conserving water and only water at night. He also mentioned he appreciated AJ Morgan's help while he was out of town and the pump was down.

Keith stated that when Mike Fortune asked for permission to do the trailer park that he was under the impression he would have someone policing it so it would not be a trashy place. Keith indicated that it is becoming a trashy place. Keith stated that he feels like it needs to be addressed before it becomes a bigger problem. He said there are other trashy places around and we will address those as they come up. He indicated that he would give Mike Fortune a call.

Fire Dept.

The pump on the black trucks motor has seized. Andrew asked if anyone new anything about the motors. This is something that will need to be fixed. The X-12 is coming up this weekend and the Fire Department will be in attendance to that.

Ambulance Report

June there were charges entered, totaling \$2122.67. The revenues collected for the month were \$50.00. Mike stated that the X-12 is coming up and the EMT's will be on call for this event. He also stated that the Ambulance is in need of new tires. He asked for the council's approval to get new tires. Mike has a bid from Archibald's for \$1692.00 to replace the tires. He tried to get a bid from 3r's but they do not handle these types of tires.

Old and Other New Business

4th of July

There were lots of people that complimented the event. The fireworks were great and the everything else was good as well. Mayor Heyder asked Tammie to tell Jennifer and her committee thanks for all of their hard work. It was a very successful 4th of July.

Notary

Tammie indicated that she has had people approach the town about having a second Notary. Right now the town has one Notary and it is Shanna Terry. If she is out of town, it puts a burden on those people needing something notarized. Tammie asked how the town council felt about this. They all agreed it would be a good idea to have Tammie or Stacey become a notary.

Jennifer Webb made a motion to have Tammie or Stacey become a Notary for the Snowville Town. Randy Branch 2nd. All council members present voted yes.

Citizen Concerns

Lonnie indicated that Colleen Hansen wants JD Larkin to move his truck from where it is parked. Marv indicated that he feels like JD is off the right of way and there is not anything that the council can do.

Acceptance of Expenses

Marv Fikstad made a motion to pay the expenses with the addition of Freedom Electric, the bill for the bounce houses, Verizon and Bear River Health Department. Jennifer Webb 2nd. All council members present voted yes.

Adjourn

Jennifer Webb made a motion to adjourn. Randy Branch 2nd. All council members present voted yes.

The meeting adjourned at 7:58 p.m.

Tammie Morgan, Clerk/Recorder
